

Workers Workshop

4th January 2025

Review of 2024

Review = a formal assessment of something with the intention of instituting change if necessary.

Key Scripture for Discussion!

Zechariah 2:1-5

Then I raised my eyes and looked, and behold, a man with a measuring line in his hand. So, I said, “Where are you going?” And he said to me, “To measure Jerusalem, to see what is its width and what is its length.” And there was the angel who talked with me, going out; and another angel was coming out to meet him, who said to him, “Run, speak to this young man, saying: ‘Jerusalem shall be inhabited as towns without walls, because of the multitude of men and livestock in it. For I,’ says the Lord, ‘will be a wall of fire all around her, and I will be the glory in her midst.’ ”

Mindset Shift

Moving From Church Mindset to Kingdom Mindset

A kingdom mindset regards Christianity as a biblical world and life view centred on the person of Jesus Christ who is Lord of all creation. This has vast political, economic, and sociological implications! A church mindset view Jesus merely as the King of the church, not the King of all earthly secular kings hence focus is on the church (local church) instead of a broad focus of a kingdom mindset that affects the local church but also the political, economics, and all aspects of the region or nation to which the people are located.

TWO KEY MENTION!

Foundation

We were told that the foundations within the church need to be solid to carry the weight of what is to come. We need to review areas of deficiency. The Spirit of God said that we have been to be radical in the killing and casting down of false idols, but the Lord is going to put His finger on some things that we didn't even know were there.

What are these? DISCIPLINE, LEADERSHIP AND AVAILABILITY!

Unity

We have to be united in the pursuit of these goals and vision.

UNITY OF PURPOSE

UNITY OF SPEECH

UNITY OF STANDARDS

UNITY EXPRESSED AS COMMITMENT

A large orange circle is positioned on the left side of the slide, partially overlapping the text area.

DISCIPLINE!

It starts from the top – pastors, ministers...and flows down.

Rules have been drafted for all levels of leadership and workforce.

Consequences must be in place for indiscipline.

Enforcement ministers has been appointed (and will be rostered)

AVAILABILITY!

We can only achieve to the dimension that we are available.

- Loving and caring needs availability
- Organising and meetings needs availability
- Discipling others requires availability
- Raising standards requires availability.
- The kingdom of God can only advance subject to the availability of the kingdom citizens. Here is Jesus' sentiment on this:

"On the road someone asked if he could go along. "I'll go with you, wherever," he said. Jesus was curt: "Are you ready to rough it? We're not staying in the best inns, you know." Jesus said to another, "Follow me." He said, "Certainly, but first excuse me for a couple of days, please. I have to make arrangements for my father's funeral." Jesus refused. "First things first. Your business is life, not death. And life is urgent: Announce God's kingdom!" Then another said, "I'm ready to follow you, Master, but first excuse me while I get things straightened out at home." Jesus said, "No procrastination. No backward looks. You can't put God's kingdom off till tomorrow. Seize the day." (Luke 9:57-62 MSG)

UNITY!

Even Jesus had Judas who is the symbol of the disunited one and he bore his sins.

Even God had Lucifer who created disunity in heaven and bore the consequences together with a third of the existing angels at the time.

The issue of unity and disunity is not new. God experienced it; Jesus experienced it; Paul experienced it and there may be some who are agents of disunity in our midst as a church.

The question for us here is this? Am I united with the vision for this house? Am I united with this pastor? Is my heart in this work to see it fulfilled even when my suggestions or ideas are not followed?

In order to grow and get the message circulating better across the world and the United Kingdom our media presence has got to be top notch. We need someone whose role is to coordinate media plans, strategies and manage relationship with other media houses (TV, Radio and Web 2.0) – Seyi Daniels
